

Balmain (MMT) Mortgage Trust

The primary objective of the Balmain (MMT) Mortgage Trust is to generate consistent and competitive income through traditional mortgage investments.

Overview

The Balmain (MMT) Mortgage Trust is an unlisted Australian unit trust which is a managed investment scheme. It has been designed to provide returns greater than cash as well as a high level of security. The Trust will lend money to business and investment borrowers who will offer real property (i.e. residential, commercial, industrial, retail and vacant land) as first mortgage security. The Trust will provide a regular monthly income stream and offer flexible choices for investment and distributions. It will invest mainly in a portfolio of registered first mortgages over a diversified selection of properties in Australian capital cities and regional centres. It will also hold some cash.

Portfolio Analysis¹

Investment Strategy¹

Balmain invests the assets of the Trust mainly in commercial mortgage loans, and also in short-term investments.

- Average Loan to Valuation Ratio (LVR) is 60.68%
- Average loan size is \$747,059
